Mom had a sense of humor! Years ago mom kept getting solicit calls from a dance studio. Mom kept saying no thank you to each call. Finally, mom made up this story and told the caller... "Oh I love to dance! And I would LOVE to take dance lessons" (Pretend crying at this point) "But i just got out of the hospital having had my let amputated". More crying. The dance studio never called again! : o) MaryAnn (Daughter)
