Samuel G. Stephenson, 79, of St. Petersburg, Florida sadly passed away on November 11, 2023. Samuel was born on November 9, 1944 in Port of Spain, Trinidad and Tobago to his parents Albert and Eileen Stephenson, and migrated to the United States in 1969. He was an avid reader, a lover of languages who strived to learn as many new languages as possible, someone with a keen ear for music who loved jazz and steel band rhythms, as well as a deep appreciator of photography.

Samuel is preceded in death by his parents, Albert and Eileen. He is survived by his loving wife, Carol Millet-Stephenson; his daughter Susan Stephenson-Martin; grandchildren Travis, Tyce, and Sabryn; sister Ann Marie Stephenson; as well as brothers and sisters-in-law and close friends, all who love him dearly.

Carol and Susan would like to thank everyone who has provided them with much needed love and support during this difficult time, and wish for any donations to be made in lieu of flowers to the American Parkinson Disease Association in Samuel's name.

What a great loss, for one who always knew how to make you smile! Sammy, very like his mother Eileen, was a very funny character indeed! Everyone who met him, were soon drawn into his jovial spirit! He will be missed. Carol and family, sister Anne Marie, please accept our deepest sympathies. 'May he rest in peace, and let light perpetual shine upon him.' Clara, Curtis, Jeanelle and Elise.

I will always remember the great times with Sammy. He always knew how to brighten everyone's day with his humor and positive attitude. We had a nickname we shared with each other "WIZ" based on a sarcastic comment made during a game of trivial pursuit some 30 years ago. You will be dearly missed "WIZ have one with my father Stokes and uncle Gaz RIP.

I was bestowed the honor of taking Susan to her high school prom. Her mother, Carol, asked me if id like to escort her while she and my mom were doing laundry together. When I went to pick Susan up Sam of course was there with his camera in hand. When Susan appeared she looked absolutely stunning. A voice from behind me uttered, "I've never seen a bow big so!!!!" We all were in tears with laughter. I love you Sam and I appreciate the words of wisdom, the lessons learned and for not kicking my butt when you caught me hanging out in Susan's room. Say hi to mom and dad for me!!!
