I wanted to pass along a message from my mother RoseMary. She wanted to share the fond memories she and my father Paul had with Frances and Roland at the many family parties and gatherings. Frances also had many friendly chats with Paul during their days at Timex.

Michael and I will always remember the good times we had for so many years the four of us with you and Ray ( as I have always called him) going to dances and parties. Our trips, cruises, and holidays. We were always together even as kids growing up down the beach. The laughs we had on Park Terrace. say hello to Theresa up there. and aunt Mary and Fay and Dolly. To all my Dumaine family. We spent many good times together with your mother and father. Living on Park Terrace in the three family home when we would meet all the time in your apartment watching the first colored TV along with coffee and with many laughs. When we finally all bought our own home and then got together once a month at a different home for dinner. Our weekend trips to Boston. Our cruises together and so much more. We will miss you Fran but will soon be together with our wings and we can continue our good times. Love Carol

My condolences to the entire Dumaine family. I have never met Frances but Lisa and I have been friends for years and I feel like I have met her with all the "Mom" stories we have shared with each other and gone through together. Sherrie
