I can say that my heart is broken...I have been so privileged to call you my friend, my dear, dear friend. I am so grateful for the years I have had with you. You have enriched not just my life but many others as well. I can hear you telling me, "No fussing, now no fussing." You, Shirley will be a part of my life forever. This is just a small tributeit does not even touch all that you are to me. Until we meet again ...in my dreams...I love you ❤️❤️
