Jorge Andino Sr posted:

Bob or Bobby as I liked to call him is and has always been a role model to me. Bobby took me under his wing and showed me how to perfect our trade. He was a hands on supervisor that wasn't scare to get his hands dirty. I still to this day utilize the skills he taught me. I have always been impressed by his ability to reinvent himself. I mean he was an Orthodox Priest. I find this extremely humbling. I'm not say goodbye to my friend but farewell to we see each other again. R.I.P.
