Mom We miss you so much. I still can't believe you left us. I know you are better off. No more pain and suffering. I won't leave dad. He misses you dearly every day. Please watch over us. We get by one day at a time but it's really hard. You're a very special angel now and I know you are with God in heaven. I will always love you. Thank you for being such a wonderful and amazing mother. I love you forever. Lynn Marie
