My sincere condolences go out to the family of Milton. He was one of my students at Bunn High. I can still see his huge smile and easy-going, fun self. While fun-loving he was still a well-mannered young man that I always cared about. A good student, I'm sure his friends and family will surely miss him. My thoughts and prayers are with you all. Michael and Rosemary Clibon, I want to say thanks for all that Milton has done for my great grandson. He has raised him since he was a baby. Mason never did want for anything. Smitty oversee everything he had the best and most of all he let him to the Lord took him to church and enjoyed going to church with him And and Mason was baptized. That means so much to me me and Mason loved him like a father. We will all miss Milton and never can repay him for what he has done. Make he Rest in peace.
