Dave Rosenberger posted:

Ed was my facility manager for a number of years while working at Coachman Fundamental. He was truly the best, hard working, dependable and kind. Ed strived every day to do what was best for his students and teachers. Beyond a valuable employee, he was a kind and moral man. He often spoke on how much he cared for and loved his wife Charlotte. While never seeking or wanting attention, Mr. Summerlin was a man to look up to for too many reasons to list here. I have missed working with him.
