My heart is just shattered! Terry was a remarkable woman who I had the privilege to call my friend! She always had the best sense of humor, as you can see by my picture of her, and she loved her family and loved her Lord! She was my Sunday School teacher for many years, we played softball together, and she was my boss at the daycare. She's was one in a million and I'll miss her. I'm sure when she got to the gates of Heaven that Jesus told her well done thy good and faithful servant and she was reunited with her mother. My condolences to her children, grandchildren, JB, Gary, and the entire family. I'm so very sorry. 🙏🙏

I didn't know Terry. But I know her daughter and Teresa is such an amazing person I can only assume her mother was as well. I'm so sorry for you and your families loss. I know she is smiling down on Teresa and the rest of the family.
