## Zoran Tomin

JAN 4, 1962 - AUG 14, 2024

**Z**oran Tomin “Zoki,” age 62, beloved husband of Katarina Tomin passed away on Wednesday, August 14, 2024, in Pinellas Park, FL.

Born in Serbia (former Yugoslavia) January 4, 1962, he immigrated to the United States in 1976 and settled in San Pedro, CA with his parents. Zoran went to school for Architecture and became a Master Cabinet Maker. He was gifted and could turn any piece of wood into a beautiful work of art with ease. Zoran was also very talented out on the field kicking a soccer ball. He played Semi-Pro soccer for JAT in the 80’s and shared his love on the field with his sons. Above all, Zoran’s greatest achievement was being a father to his three children Kristina, Erik, and Austin. Aside from his children, Zoran was so very proud of his grandchildren, Zoki and Lilliana Tomin. Deda’s Scre moje “whole heart.”

Zoran loved every person he met, and the feelings were mutual. He loved playing and coaching soccer, hunting and fishing, skiing and riding his motorcycle. Zoran was proud of and loved his family with his whole heart. Zoran lit up any room he walked into with his smile and laughter. He left a mark on every person he met and made this world a better place just by being in it. His love, honesty and integrity will live on through his family forever.

Besides his loving wife Katarina of 28 years, Zoran is survived by his daughter Kristina, son’s Erik (Kathryn) and Austin (Brittany), grandson Lorenzo Zoran and granddaughter Lilliana. Brother-in-law Drago Neskovic and niece Abigail Neskovic, sister-in-law Elisabeth Skelton and mother-in-law Christa Neskovic.

Predeceased by his parents Milan and Radica Tomin. His uncle Sava Novakov. Brother-in-law Devin Skelton, sister-in-law Gina Neskovic and father-in-law Bogoljub Neskovic.

“Did I tell you I love you today?”

I will miss Zoran dearly. Zoran became a work friend when he did some carpentry work for my mother and I. He was very easy to befriend, I was surprised I did not know him before that. Ever since then, it brought joy to my heart just seeing Zoran around the hospital. I felt like I had a caring friend. I will miss our conversations when we would run into each other and just seeing his bright smile. God bless your soul and shine bright as you did here. I miss you my dear friend. My deepest condolences to his friends and family.
