I have just watched & enjoyed the wonderful Celebration of Paul's life. He was my cousin, his mum & my mum being sisters. I was an only child so, being of similar ages he was close to being the brother that I never had. While I never had his dress sense, I always took the Dollars on the Golf Course!! I regret so much that I could not attend the Memorial Service. Rest in Peace, Jem. Please say hello to Audrey & Poppy for me.Love,Russell.

Sending love and light to my emo Jinny and to Paul's family during this time of loss. I will always remember how uncle Paul was always dressed to the nines. He was always in his best (coloured coordinated) and carried himself with such class. His legacy will continue to live on through his family he loved, cherished and supported. May your precious memories with Paul give you the strength you need.

Dear Jinny and family, it seems like only yesterday when we first met you and Paul for a lunch at ONE Restaurant in celebration of Grace and Lance. As he was on that day, Paul was always well-dressed, well-spoken and had interesting stories to regale. This is how we will remember him. Our deepest sympathies to you and your family on your loss. Love, Robert and Eva

We met Paul back in 1987 and remained friends until his passing. We enjoyed many trips together and also enjoyed many dinners he hosted in his home. For all those years that we played golf together I witnessed most of his outlandish sense of golf attire, but the one that stands out mostly was when we were playing golf in Mount Dora central Florida, he had an outfit which I can only describe as a cross between Payne Stewart and John Daly. When we were waiting to Tee off another golfer approached Paul and mentioned that he must be a hell of a golfer to have the nerve to wear such an outfit and we all had a good laugh together. Hazel and myself will miss him dearly. God bless you Paul you will always be with us in mind and spirit.
