We both have a birthday in November & sometime in the month we would get together for lunch. We shared a love of horses. I will miss her as will Jim & Adrian. RIP dear Bev. Janet Lucht

I have know Bev since 7th grade. We lived a block away from each other and what a wonderful friend she has been. We got a ride to school in Steve's Barracuda each morning as we lived out of the district for Dixie. I remember that her mom would have her clothes set up and ironed each and every morning for her. Her dad worked for Budweiser Beer and gave us all a Bud Man watch for graduation to remember him. Bev's parents were as wonderful as she was. I also remember we would all buy Villager shirts to wear for school and most of them had our initials embroidered on the collar. One year Mr's Truitt had a few of my shirts that Bev had borrowed (we ALL borrowed each other clothes) embroidered with her initials. Didn 't bother me I still wore them. We would sit in her bed an listed to 45's and she had that silver GTO that was awesome. We have many DAX memories we can share and sitting on Pass-e-Grill each and every Sunday. She was a dear friend and I will miss her, but oh the memories I have! God Bless her boys and grandchildren along with Steve. I wish you fond memories. Much Love Ellen
