## **Devin Levi Bowen**

APR 7, 2016 - NOV 10, 2024

**W**ith heavy hearts, we announce the passing of Devin Levi Bowen, age eight, whose radiant smile and loving spirit left an unforgettable mark on all who knew him. Devin was a sweet, mischievous soul with an endless love for adventure and a natural curiosity that brought joy to everyone around him.

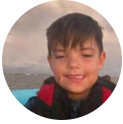

Born on April 7, 2016 in Saint Petersburg, Florida, Devin was the light of his family's life. He found immense joy in being by the river, casting a line in the water, and spending hours absorbed in his favorite YouTube videos. Whether he was fishing, exploring, or laughing with friends, Devin lived life with boundless energy and a big, open heart.

Devin cherished his family deeply—his siblings, mother, father, grandparents, cousins, aunts, and uncles were his world. His love extended to his classmates and teachers, who remember him as a caring friend with an infectious smile and a knack for a little well-placed mischief. Devin had a way of bringing people together, and his gentle, joyful presence will be sorely missed.

The memory of Devin's love, laughter, and lighthearted spirit will live on in all the hearts he touched. In this time of sorrow, we find comfort in celebrating the joy he brought to our lives.

A visitation for Devin will be held on November 16th from 1 to 5 PM at Memorial Park Funeral Home and Cemetery, with his funeral service to follow at 5 PM. Friends and family are invited to gather and honor a young life that was full of love and adventure.

Rest in peace, sweet Devin Levi Bowen. You will be forever missed and forever loved.

I remember the day Devin was born, I was working at Memorial Park. Immediately after work, Cricket and I went to the hospital to see Melanie and meet this precious bundle of joy! So beautiful, so innocent- I will never forget it. He was the first newborn baby I had ever held. Throughout the years, I would have the pleasure of inner acting with this sweet soul on many occasions! One of my cherished memories is of the drawer of snacks and delicious treats at the Memorial Park reception desk. Oh how I loved to open that drawer, unveiling the goodies, watching his eyes beam with delight. I would ask him if he wanted something and he would always shyly nod his head yes. One time, Devin pointed at the Nature Valley granola bars, so of course I gave him a fistful. I will never forget the smile on his angelic face, it was so pure. The amount of sorrow and sadness I feel for Devin's loving family is just insurmountable. A bright light, gone from this earthly plane, far too soon. I pray daily for Devin's family, asking the Lord to wrap them in his loving arms, providing comfort, care, and peace during this difficult time. With the deepest, heartfelt, sympathy to all, Scarlett
