# **Anthony James Martin Sr.**

AUG 7, 1964 - NOV 4, 2024

**A**nthony James Martin Sr., age 60, passed away on November 4, 2024 in St. Petersburg surrounded by his family. A loving husband, father, grandfather, brother, and son, Anthony was born in Worcester, Massachusetts on August 7, 1964 and spent his life living every day to the fullest. A hard worker and dedicated man, Anthony first served in the U.S. Army, before settling down and becoming a jack of all trades who was renowned for his work ethic and drive to get a job done. In his free time, his passions knew no bounds. A family man at heart, he deeply loved his family and was involved in all aspects with his children and grandchildren. And those who knew him loved him back just as much, an aspect that could be found in anyone who had the privilege of meeting him. Aside from cherished time with his family, Anthony loved his motorcycles, and the freedom of cruising down the road and out to the beaches. His family will miss him deeply, but they find peace in knowing he is cruising down the highways in heaven.

Anthony is preceded in death by his parents, Patricia Francis Martin and James B. Martin, and brother David Allan Cormier. He is survived by his loving wife Sandra Martin (Pinellas Park), his children Anthony James Martin Jr. (Tullahoma, TN), Melissa Belvery and son-in-law Jesse (Connecticut), Felicia Marie Martin (Pinellas Park), and Kirsten Rayann Cox and son-in-law Shon (Kileen, TX); his brothers Robert Booth (Pinellas Park), Paul Booth (Michigan), and Robert Martin (Massachusetts), as well as his twelve grandchildren and many other extended siblings and family members

Tony was a very caring man who truly loved his family! I have gotten to know him through family and he always made sure to take care of his family no matter what it took. We had some laughs when he first moved his family down here and some funny memories. He will be missed and loved by many, thank you Tony for all you have done and will do for your family, even in spirit.

Tony you became my fourth son a little later on in life but I was so happy to become your mom for all these years. I will hold you in my heart forever I loved you so much and I will miss you so much. I will try my best to take care of the family and help out as much as I can. You left us all so suddenly is the part that it really hurts and we never got to say goodbye but I know that you know we were all there for you. Love Mom
