John was my best friend for many years. We grew up together, sharing countless memories that shaped our lives. Despite the miles that eventually came between us, we managed to keep our friendship alive. Our lives may have taken different paths, but reconnecting was always easy, a simple phone call was all it took to feel as close as ever. I will deeply miss him, his companionship, and the bond we shared.

John you are missed & loved so very much. You told me the last time we talked that you weren't going to be around much longer but I thought it would be longer than this. I'll never forget the great times we've had. Hard to believe you are gone. My prayers are with all those who loved you & for your wife. May you be at peace with our lord in savior Jesus Christ. I'll remember you with love & knowing you were happy means alot. Rest in love my friend. Until we meet again. 🙏❤️
