Mennicken, Halida

FEB 17, 1952 - FEB 11, 2025

Halida Mennicken, born on February 17, 1952, passed away on February 11, 2025, in St. Petersburg, Florida. She was a visionary entrepreneur, a true icon of style, and a beloved sister, aunt, and friend.

For 35 years she graced the fashion world as the proud owner of La Panache boutique on Saint Petersburg Beach. With her impeccable taste and innate ability to curate timeless pieces, Halida has helped countless clients discover confidence through fashion. Her boutique was more than just a business—it was her passion, a place where every detail was carefully chosen, and where customers felt like family. Her keen eye for beauty attracted clients from around the world.

Halida was a woman of grace and generosity. Every Saturday she hosted gatherings filled with food and lively conversation, bringing people together in celebration of style and connection.

She loved to make jokes and she spread joy and laughter to those around her. Whether she was styling a client, decorating a space, or simply sharing a cup of coffee with a friend or loved one, Halida brought beauty and pizzazz to every aspect of life. Halida was full of life—always stylish, always radiant. She had a deep appreciation for beauty in all its forms and found joy in making the world around her more elegant. Halida loved ladybugs, hearts, and white daisies, symbols that reflected her warmth and charm. In quieter moments, she found solace in reading, writing, and taking photos of sunset.

A true trailblazer and guiding light, Halida was the first in her family to embark on the journey to America, paving the way for her loved ones with unwavering generosity and love. She embraced every challenge with grace and strength, always extending a helping hand to those she cherished. Her elegant beauty and kindness knew no boundaries, and her presence brought warmth and comfort to all who knew her.

Halida is survived and deeply missed by her siblings, Keka, Alma, and Hans; her adored nieces and nephew, Samra, Amra, Mirza, and Ena; her brother-in-law Ahmet, and countless other family members, devoted friends, and loyal customers who became like family.
