Sgt. Jack Daniel Stresky

OCT 31, 2000 - FEB 6, 2025

Sgt. Jack Stresky, 24, passed away February 6, 2025. A hero was born Jack lovingly known to his family as Jack “Nookie” Stresky born on October 31st 2000 to Noemi Roig and his late father Jack R. Stresky in St. Petersburg Florida.

A time to reflect:

After graduating from Interlachen high school in 2019. Jack’s life journey began and it lead him to the United States Army in 2021. In the army he gained respect, discipline, and honor, while traveling to the state of California as well as being stationed in Korea in 2024. In the Army, his friends jokingly called him “Stretch” for his cool, funny and encouraging demeanor. He gave unselfishly to anyone he cared for with open arms, always putting his needs to the side. Against all challenges, he understood the assignment. The love between us flourished. A son, brother, uncle, cousin, and friend while our paths have changed the bond remains. Always in our hearts “Our hero was built”. The coolest dude on Earth!

A time to rest:

On February 6th 2025, his journey on earth has concluded, and his eternal life has begun. A hero to many but, his sleep was needed, his memories left to cherish:
