Hey, Holly, you probably won't remember me. We hung out as young moms, in Marietta. You came to mind today, and I was sad to see this about Ed. I've missed you for a long long time. Love, Sam

Holly and family, we're so sorry to hear about Ed. He was such an instrumental factor in our lives, we admired Ed for his kindness, professional and ability to really understand complex situations and give excellent advice. He helped Pooja and me tremendous over the years and I'm so sad hearing about his passing. We will keep him in our thoughts and Prayers. God bless. Mike and Pooja Giovanni

Holly, my deepest sympathies to you, your children and extended family. Steve and Holly were our RA's at the Franciscan University of Steubenville, at Marion Hall. They were the kindest, most loving couple and led others by their faith. I graduated in 1989, and I STILL remember how special these two are. May God grant you comfort, Peace and Love and may you be able to feel God's embrace as you journey ahead, during this difficult time. What a beautiful gift, that Steve has seen the Face of God.

Dearest, Dearest Holly. I am so very, very sorry you have to go through this grieving for Ed. Such a wonderful man. I remember so very well when you two started dating! And I remember so well the Christmas Eve night you and Ed showed up at my house and joined in on my celebration of the seven fishes for Christmas Eve! Oh, such wonderful memories for me and I thank you and Ed for those memories that bring such smiles to my face. I wish I could just hold you, hug you, and whisper I love you in your ear. I am praying for you and your children. You are in my daily prayers. Love you, Angie
