When we went purse shopping. Sally needed a new purse 🛍️ and I told her that we could do that on a Saturday. So... off we go on a purse shopping 🛍️ spree. And at last glance, my Sister Sally still had that purse.

When I joined the church, Sally would sit in front of me. The first time I was introduced, she told me to call her, Sister Alexander, so I did out of respect. After a long while, she told me that I could call her Sally. I have a lot of fond memories of Sally.

There is a missing spot in the front row of every church service and activity where Sally should be.
