Michael Dean Schubert, 58, passed away unexpectedly on April 20, 2025, at Morton Plant Hospital in Clearwater, Florida. He was born on August 23, 1966, in Milwaukee, Wisconsin.

Michael will be remembered for his goofy sense of humor and his deep passion for sports. A true sports enthusiast, he especially loved golf and football. He was a devoted fan of the Green Bay Packers, Milwaukee Bucks, and Milwaukee Brewers. His enthusiasm for Wisconsin teams was infectious, and he leaves behind many friends in his home state who will continue cheering on their local teams with him in mind.

He was a beloved husband to Renee for 19 years and a treasured brother to Lisa (Ed) Karpinski and uncle to Aleana Karpinski. He was preceded in death by his mother MaryLee Schubert and father Jack Schubert. Michael was also loved by many cousins and held a special bond with his loyal rat terrier, Thunder.

May his memory bring comfort to those who knew and loved him.

Jeffrey Shiffra posted:

In loving memory of my dear cousin Michael, I cherish the sunlit days we spent on the golf course when I was only 10 or 11 years old. I believe the course was called Warnimont and was a short bus ride away. Those rounds were not just about the game; they were lessons in patience (his), laughter, and the joy of a togetherness. I will forever remember the sounds of our laughter echoing through the trees and the way he shared his passion for the sport with me. Michael taught me that every bad swing and outcome was simply an opportunity to do better next time. This is a lesson I have never forgotten and it has traveled well with me for decades. Michael will truly be missed.
