Uncle Wayne was one of the kindest, most loving and compassionate people I've ever known. Over the years we were fortunate enough to sit in his Sunday school class at least once or twice. He knew his bible and the history of Israel and Egypt as well as anyone I've ever known. Tammie and I send all of our love and prayers to you guys and wish we could be there with you all. ❤️❤️👤

He would always tell my sister and I interesting and fun stories of his travels around the world when we were little. He will always be remembered as one of the sweetest great grandpas and I'm so fortunate to make memories with him.
