Richard Douglas Mosher

NOV 22, 1971 - AUG 13, 2025

Richard “Rick” Mosher, 53, passed away on August 13, 2025, in Clearwater, Florida. Born on November 22, 1971, in Brunswick, Maine, Rick brought joy and laughter to those around him throughout his life.

Rick graduated from Western Branch High School and went on to earn a bachelor’s degree from Old Dominion University. He dedicated three decades of his professional life to Saint-Gobain Solar Guard, where he worked as an SAP Business Analyst. His commitment and expertise left a lasting impression on colleagues and the organization alike.

Beyond his career, Rick was known for his vibrant personality and boundless energy. Whether through his silly antics or unforgettable dance moves, he had an uncanny ability to make people smile. His warmth extended deeply into his personal life—he cared profoundly for his family and took on the role of guardian to his nephew Noah for seven years with unwavering devotion.

Rick found joy in the simple pleasures of life. He loved cooking, gardening, camping and the occasional turducken. He cherished time spent at the beach, traveling the world, and playing with his beloved dog Bandit.

He is survived by his sister Cindy Sentner; niece Debra Sentner; nephew Noah Mosher; Clara Gravelle; and father James Mosher. He was predeceased by his sister Kerrie Mosher and mother Dorothy Mosher.

Rick’s laughter, kindness, and light-hearted spirit will be remembered fondly by all who knew him. May his memory bring comfort to those who loved him.

I was very fortunate to be a part of Rick's amazing friend group in the late 90s and early 2000s. Rick was always the life of the party with his huge smile, sparkling eyes, and positive energy. I will always remember his warmth, loyalty, and stunningly good looks. We had some amazing times together and I will always cherish the memories. Gone Too Soon. Rest in peace Rick.

Aw I wish I'd had these for the tribute video. So weird seeing pictures of him so young. What year(s) do you think they're from?

So sad to hear about the passing of Rick. We were together for 5 years what seems like a lifetime ago. I started going through our pictures and realized what an amazing time we had while we were together. So many trips so many laughs and so many memories. I'm sure he will be missed by so many. His big blues eyes and smile always lite up the room. RIP Rick 😊

What shocking news to hear of Rick's passing. We became colleagues in 1998 when I first joined Solar Gard. Rick seemed to know everything (turns out he actually did). Over the years I relied on him as the answer man for SAP-related issues. However, I also came to appreciate his wit and sometimes naughty sense of humor. What impressed me most about him was his absolute devotion to his loved ones. His dedication to those who were special to him was remarkable. I will remember him fondly. I wish healing to those he left behind. May your memories bring you comfort. Irene Williams

Even though we never met in person, Rick and I worked together remotely on many occasions regarding SAP. He was always very knowledgeable, took so much pride in his work and was willing help when it was needed. On a personal level, he was always kind to me, and after meetings (when I would inevitably ask him how something SAP works), he would always take the time to help me. We would inevitably get into personal conversations and about life and its travails - often ending in laughter. I do regret that we never met in person, but I do cherish the times we've had am lucky to have met him.

I am still in shock and very saddened by this. You were always the one who I would turn to for help, and the knowledge you had was unbelievable. We had lots of conversations and you opened up to me about a lot in your life, I just wish we would have had one last conversation before you left us. Thank you for all you did for me and everyone else in your life. There will never be another Rick.

We have so many wonderful memories of our times together with Rick. He was family to us; we spent holidays together, camping weekends, Uno parties, weddings and many crazy good times. We've also shared some hard times and he was always a source of comfort when it was needed. It's hard to narrow it down to a single favorite memory but one that we'll always cherish is our wedding celebration in Delaware where he danced with my 90 year old aunt. Rick was one of the best friends we've had and this is a very big loss for us and so many others who had the privilege to know him. ❤️
