Kathryn Hillebrand lit a candle in honor of Linda.

I have known Linda since about 1978, when we worked together at Shear Dimensions and became close friends. We shared so many experiences, always attending seminars together to keep up with the trends. Linda was such a positive, friendly, and outgoing person, talented in so many ways. Although we lost touch for a time after she relocated to Florida, we were fortunate to reconnect through Facebook. Her family always meant the world to her, and it was clear how deeply she cared for them. Linda will be missed by so many. I will especially miss our goodnight exchanges — a simple reminder of the kindness and friendship we shared for so many years.
