DEC 1, 1955 - OCT 22, 2025

Denise Johnson shared 5 photos to the **Tribute Wall** album.

As a twin, we began our lives together at conception. As such, we have known each other longer than anyone else. "No time on earth is long enough to share with those we love or to prepare our hearts for goodbye." I love you and will miss you, but I know I will see you again. Rest peacefully in God's loving arms.

So sorry to hear of his passing I will miss his nightly calls. He was always checking in on me. We share many stories and laughs together on the phone He will be missed. As far as a story goes I'll never forget the trip to Jamboree in the hills many years ago. I'll leave it at that. May he rest in peace
