Tamara Locicero lit a candle in honor of Kathy.

I finally got to meet her over the phone and chat with her and my adopted son Branden and told her I would bring her out to AZ for a vacation when she got better. Then god chose to take her home where she will live forever on the golden street of peace!!!! Fly free lady like a butterfly

I can't believe I'm having to write this. I love you and will miss you every day until we meet again. You were always full of sunshine and happiness, and no matter what, you always had a smile on your face. I will forever cherish the memory of surprising you on your birthday with a visit from all your grandchildren. That day, you could hardly contain your excitement and love. Your laughter and love will stay with us forever.
