In Loving Memory of Lonnie J. Gresley

March 16, 1961 – February 10, 2026

Lonnie J. Gresley, 64, of Kenneth City, Florida, passed away on February 10, 2026. Born on March 16, 1961, in Niles, Ohio, Lonnie carried his Midwestern roots with him throughout his life, building strong connections and leaving lasting impressions wherever he went.

Lonnie was preceded in death by his father, Donald Gresley Sr.; his mother, Theresa Gresley; his sister, Darlene Gresley Virtue; his brother, George Gresley; his beloved wife, Sherri Squire Gresley; and his nephew, Christopher Virtue.

He is survived by his loving stepdaughters, Terri Hague Silvernail and Cheri Hague Monaghan (John); his cherished step-granddaughter and step-grandson; his brothers, Donald Gresley Jr. (Dianne) and John Gresley (Fran); his sister-in-law, Sheryl (Babe) Gresley; and numerous nieces, nephews, great-nieces, great-nephews, and great-great-nieces and nephews who will miss him dearly.

Lonnie was the proud owner of Green Horizon Lawn Care for over 35 years. Through his business, he built not only a livelihood but a reputation for hard work, dedication, and pride in everything he did. He believed in earning trust the old-fashioned way — through consistency, reliability, and showing up.

He had a great love for NASCAR and could often be found cheering on his favorite drivers with passion and excitement. When he wasn't working or watching a race, Lonnie enjoyed karaoke, bringing laughter, music, and unforgettable memories to those around him. He had a spirit that filled a room and a personality that made people feel welcome.

I had known Lonnie since high school where we both participated in the marching band. He played the trumpet and was always quite the character and joyful personality. I lost touch with him shortly after he graduated ('79) when he joined the Service. Back then, I remember he had a 1972 blue firebird in high school that I was envious of. Happily we were reunited (in Florida) when our paths crossed again in the most unlikely way. Through our mutual enthusiasm for the sport of NASCAR. In reconnecting with him, I had the pleasure of meeting him at his home for a pool side race party hosted by Sherry and himself. Even though it had been the better part of 40 years since I had seen Lonnie it was as if time had never past. Still a consistently gentle soul with his deep gruff voice filled with welcoming joy and understanding. Through our reconnection, we stayed in touch weekly via a mutual NASCAR fantasy league we both attended. He was a die hard Hendrick fan (as you can see by the #24 tee shirt he is wearing in one of the posted pictures on this page). Sadly it wasn't until this years season started that he wasn't participating in the league that I became concerned and discovered this sad news. I smile knowing that Lonnie always lived his life as full as the Lord would allow. The last time I saw him, he was happy in sharing with his friends enjoying the sport that he truly enjoyed. I wish we had one final lap together Pal... Race you later!R.I.P.

Lonnie was our knowledgeable, professional lawn person for 20 years but he was so much more - he was a generous and caring friend. I was very worried when he had his lung illness and prayed nightly for him as well as when he went through his recent difficulties. It was as if the sun had come out when his mower was again buzzing in our yard. My heart breaks for Lonnie's family as I cannot imagine the depth of their loss. Knowing I have the memory and mental video of Lonnie saying, in his calm and friendly way, "Hi Carmen," will have to do but it doesn't represent the Light that Lonnie was and the World has Lost. Lonnie will always have a place in my heart.Carmen Griffin
