Sally Jo Norris

OCT 2, 1957 - MAR 8, 2026

Sally Jo Norris October 2, 1957 – March 8, 2026

"I'm Stucky!" and "I won't let anybody take my joy."

Sally Jo Norris passed away peacefully in Saint Petersburg, Florida, after a courageous battle with metastatic esophageal cancer. Born in Indianapolis, Indiana, Sally lived a life rooted in Christian faith, kindness, and unwavering resilience.

She was a devoted mother, sister, aunt, and friend whose greatest joy was being "Mom" to her daughter, Kristin Norris. Sally found happiness in life's simple moments—crocheting, gardening, playing games, traveling, and sharing laughter over black-and-white movies, road trips, and time spent with those she loved.

In 2023, she began a new chapter as a Community Association Manager at The Grandview Tampa with First Service Residential, continuing to demonstrate her strong work ethic and positive spirit.

Sally is lovingly remembered by her daughter Kristin Norris; her sister Patti Norris; her nephews Brian Clearwater (Christine) and Robbie Clearwater (Jennifer); and her dear friends Melissa Malone, Laura Rockel, Noel Swan, Barb Joia, and Ann Cloar. She was guided in faith by Oscar Banks and is reunited in heaven with her sister, Judy Clearwater.

Sally's life was a reflection of faith, love, and quiet strength. She reminded us all to protect our joy and share it freely.

In honoring her memory, donations may be made to the National Pediatric Cancer Foundation or the Museum of Fine Arts, St. Petersburg.

Our deepest condolences for your loss. We were very saddened when we heard she was sick. We knew Sally when she was manager at Foxfield 55 in Garnet Valley, Pa. She was so nice, funny and helpful when we needed her. She will be missed. May she rest in peace. Love and prayers Sal and Linda Mattoccia

Before her passing we had two weeks to build a bucket list. We were fortunate to have a day at MFA, Motown show, drinks, beach days and more. So thankful for the time we had these last three weeks. Thank you to those of you who joined us for these events.

My fondest memories when we face timed her when we were together and about 5 drinks in and we talked to her like she was there with us and gossiping and she was laughing and dealing with us drunk girls lol. She was so happy and seeing her so happy on the video call had us laughing even more. We got off the phone and were so giddy.
