Deborah H Moore

JUN 18, 1948 - APR 19, 2026

Deborah H. Moore, 77, of St Petersburg, Florida, passed away peacefully on April 19, 2026, surrounded by her loving family.

She is survived by her beloved husband of 47 years, Dick Moore; her children Amanda Harrington and her fiancé, Douglas Gutteridge, Brett and his wife Jill Harrington, Nicole Gambo, her cherished grandchildren, Ashly and her husband Patrick Faherty, Colin Harrington, Jasmine and CJ Gambo; and great grandchildren, Jack, Leo & Cameron Fahery.

Deb was kind, curious, resilient, creative, and supportive. She listened closely, asked thoughtful questions, and lifted others when days felt long. Her quiet strength guided the family through every season.

The beach called to her, quilts grew beneath her careful hands, every stitch sewn with love, each pattern was a piece of her heart. She was a devoted lover of nature, with a particular passion for butterflies whose grace brought her joy and inspiration. She chased new lessons in art and loved sharing what she learned. Each hobby became another way to weave family moments together.

Deb often said, "Life's a Gig," a reminder to find rhythm and fun in the ordinary. She lived that motto while proving that a loving matriarch can shape the world around her. Her children feel that lesson every single day.

We will hold Deb's stories close, cherishing the warmth she planted in our lives. May her memory keep us kind, curious, and creative. Rest in peace, Deb; your family carries your song forward.
