

## Claudia Ann Hodson

February 14, 1943 - April 11, 2021

If you're about to leave the complimentary hotel shower cap, stop. Consider: Claudia Ann (Frank) Hodson who entered eternal life on Sunday, April 11, 2021. Her spirit is carried on by her husband, Loren, 2 children, Holly(Greg) & Heather (Robert) 2 grandchildren, Angel & Zac, 2 siblings, Sue (Robert) & Neil, 2 cousins, Jane and Kay, and an extended family of relations and friends from every walk of life. We were truly blessed to have learned many valuable lessons from her during her 78 years, among them: take those shower caps home. They can cover any size leftover food container. Also: If you see something that needs to be done, step up and make it happen. This could be driving a friend to the airport at 3AM, or driving a friend's dog across the country. EVERYTHING can be put to a song. Finish projects. If you have an idea for a project, do it and finish it. Jokes can sometimes be just as funny if you tell the punchline as the joke. Give to every charity that asks. Take care of yourself; get those pedicures and listen to your body. Get your medical conditions treated!! Don't be afraid to ask for help when you need it. Stay in contact with friends; visit them, write handwritten letters to them. Forgive; it doesn't mean you forget, it means you don't hold it against someone else for the rest of your life. And lastly, parsley, placed between your teeth, makes a funny selfie.

As a memorial party was held for her in Florida, she was remembered by her friends for her generosity, and "classy dressing". The majority of the many stories she loved to tell featured friends from her bridge groups and Christ Presbyterian Church in Toledo. She is reunited with her parents, her niece, Michelle, whom, she dearly loved. A service will be held sometime this summer in Toledo and/or Maumee

“ I will deeply miss my beautiful friend. Ann made my life in Toledo feel just like family and home. Ann, Loren, Clancy and I had some amazing times spent together. She will always be in my fondest memories and always in my heart. I tried to make sure my grammar was correct just for Ann! Love you girl

“ Mom chose to be cremated but she said that if she had a tombstone it would say “Here lies a woman who was always tired. She lives in a house where no help was hired”
