“ Georgia
You were a great friend!! What a great, beautiful soul. Thank you for teaching me your spaghetti sauce recipe... I will always remember you telling how easy it is. Since that day I've been making my own sauce. I'll miss you my friend xo

“ I had the privilege of working with Georgia at Raymond James for over ten years. She was so loyal to the people who worked for her and I learned much from her. Mostly I remember how much she loved her family. I was so happy for her when she was able to retire and spend more time with her grandchildren.

Having just lost my Mother a year ago, I know that these next weeks and months will be difficult. Just cherish your memories and know how much she loved you.
