“ Condolences to the family. Kay had a full life. What stands out to me is she seemed to really like the chocolates i brought her from Wisconsin. She always seemed to be glad to see me when i stopped by.

“ I first met Kay in 1980, and remained friends until Sept. 2, 2020. We spent many hours reminiscing about all the fun times and great people at Peppertree Condos. We served together on the Board of Directors, off and on, for many years.. Kay was never one to mince words and always said what she thought, and I loved that about her. I will miss sharing cocktails, books and fun times with her.. May she rest in peace, and comfort.  
Love to the family. Patti McLaurin and Ted Burlage
