“ Kelly, I am so, so fortunate to have been graced with your friendship. You were one-hundred-percent authentic, one of a kind. Truly an enigma. You made you feel alive just being in your presence. The world feels more dull with you physically missing from it, but I know your spirit lives on with every single soul you encountered. You are unforgettable. The memories are so vivid. Like you always said "It was the best of times... it was the best of times."

“ Thinking of my friends Tommy, Jan and Katie during the loss of Kelly. She had the fastest wit and she always made me smile even when she was insulting me calling me Sir Lift-A-Lot. You will be missed.
