“ Scott, Stacey, & Julie what a beautiful service you have given your mom. she would be proud. I will share the service with my almost 91 yr old mom Wednesday. I have some great memories of your mom I lived in Florida 1980-99 and had the opportunity to come visit with my parents David and Alice Hinaman, my uncles and aunts Ted & Esther, Jud & Toot. I held Southern Remick reunion in Orlando and your Aunt Jeanne and uncle Don came. not sure which of the granddaughter was there but my 65 yr old dad showed how he could do a cartwheel on the front lawn. your parents just laughed. Jud climbed one of the fruit trees in your backyard he couldn't believe that you didn't pick every fruit. Scott I enjoyed sitting with you at Kayellen's reception in the penguin encounter at SeaWorld. these were the few times I got to be with the family our grandmother and grandfather were siblings on the Remick side. Mary and I exchanged holiday letters to update on the family's north and south. I returned to Philadelphia in 1999 and retired to Harrisburg in 2019. God bless each of you hold the memories close and she will live forever in your hearts.
love,
cousin

“ Mary could always be counted on for a smile or word of wisdom when I began at Westgate back in the days of the pod, Mary teaching third grade Reading/Language Arts as I taught second grade Reading/Language Arts right around the corner from her. What a dear lady and dedicated teacher she was! I will miss bumping into her at Publix and catching up on children and grandchildren or the latest book she was enjoying. My thoughts and prayers are with her family.

“ Bonnie: Mom loved Westgate. It was a huge part of her life. I was in the first group of students in the pod when it was established. I even had Mom as a teacher when she first substituted at Westgate then became a full time teacher. Thank you for playing a part in my Mom's life.

“ The Remick family lived next door to us in Azalea and I have a lot of great memories with them. Mrs. Remick was such a sweet and kind lady and the neighborhood kids loved playing at their house. My mom and Mary were good friends, and I hope they reconnect in Heaven now.

Sherri Wilson - November 01, 2020 at 08:57 PM

“ Sherri, yes what great memories we share of the old Azalea neighborhood and I am thankful we have had a reconnection on Facebook. Hard to believe so much time has gone by.

“ My Aunt Mary was the Best! I couldn't say enough good things about her to even know where to start. She was my aunt, my family, my friend. This world would be a lot better place if there were more people in it like my Aunt Mary! Loving, kind, respectful, intelligent, friendly, caring, diligent, and conscientious are just a few of the words I would use to describe her. I have a lot of great memories of her and her great kids and husband from our biannual trips to Florida to visit while I was growing up. We got together even more when they would come to 'the Farm' each summer. I'm glad she was a teacher with summers off, so that could happen. As a result, I got to know her and all of my great cousins VERY well. She and my mom were very close so she almost felt like a second mom to me. I love all her great kids and grandchildren and like all of you, I will also really miss her. It will not be the same without her on this earth, but at least we all still have a lot of great memories and those can't be taken away. She touched and molded the lives of everyone she knew. We are the lucky ones to have known her.
Her Loving nephew,

“ Brad, how very beautiful. I hold all our summers together as a family near and dear to my heart. Best times of my life growing up. I treasure all the memories we all shared on the farm. Mom is so very missed but you are right you can't take our memories away.

Stacy Remick O'Donnell - November 02, 2020 at 10:25 PM

“ Mrs. Remick was my 3rd grade teacher at Westgate Elementary back in the 80's. I have since become a teacher myself, partially because of her. I am saddened to hear of her passing and send my condolences to her loved ones.

“ I had the pleasure of teaching with Mary for many years. She was an inspiration to all of us new teachers. She was my teaching partner for many years in third grade. We shared great memories, and I will truly miss her.

“ Dear Remick family: So sorry for your loss.
I have fond memories of many Thursday nights that we bowled in a league.
And who can forget the camping at Fort De Soto.
We always had a wonderful time.

“ Mrs. Colbath: It was so wonderful seeing you at the service today. That meant so much to all of us. I too remember going to bowling on Thursday nights when we didn't have school on Friday. I also thought it was cool going into the lounge at Twedt's Lanes for food. Camping at Ft DeSoto holds the best memories for me and my girls too. So many from our gang have left this earth and are missed so very much but I know they will welcome Mom and take care of her.
